

# Pro Collagen Day Cream 50 ml

## Did you know that...?

- 1** The naturalness index of the new **collagen face cream is as much as 98%**. The cream was enriched with natural ingredients that are gentle on the sensitive skin.
- 2** The rich composition of the collagen face cream contains as many as **8 types of collagen, a complex of 5 types of hyaluronic acid, SKINPRO QM active ingredient, shea butter and avocado oil**. Ingredients selected this way let us create an intensely moisturising anti-aging face cream that is perfect for the daily skin care for men and women whose skin shows signs of ageing. All these ingredients form a complex formula which, among others: **reduces the visibility of fine expression lines, firms, elasticises, nourishes and regenerates**.
- 3** The composition was enriched with:
  - **8 types of fish collagen** with moisturising, regenerating properties, reducing the visibility of wrinkles;
  - **a complex of 5 types of hyaluronic acid**, which reaches different layers of the skin to provide deep and multi-level hydration;
  - **avocado oil and shea butter** which regenerate and moisturise the skin.
- 4** Specially selected **active substances derived from marine organisms according to the current trend "Marine organisms are a key to our youth"**
- 5** A valuable ingredient can still be found in the cream composition: **SKINPRO QM**, a rich source of natural glycosaminoglycans from jellyfish, mucin and kniumucin. **Mucin is an ingredient with excellent moisturising properties, while kniumucin has water-binding properties, protects from dryness and shows anti-ageing properties.**
- 6** A perfect day care option for everyone. The cream can be applied independently on the age; **when wrinkles appear, and the skin loses its firmness and tautness.**
- 7** The cream has a form of light cream-gel - **perfect for day care and as a makeup base.**
- 8** The ingredients of the cream are selected to work together, and their synergistic action helps **improve the condition of the sensitive skin of your hands.**
- 9** Pro Collagen day and night cream work together perfectly to provide daily skin care.
- 10** A new, hygienic glass packaging facilitates cream application. A spatula for applying the cream and a protective foil guarantee safety and hygiene without changing the product weight.
- 11** A new, subtle, fresh and floral cream scent with distinctive notes of lily, jasmine and rose.
