

Pro Collagen Face Mask 50 ml

Did you know...?

- 1** The naturalness index of the new face mask is up to **94.4%**. The way to determine the naturalness of cosmetic products is through the method contained in the ISO 16128 standard. This standard defines the ingredients of natural origin and introduces the so-called naturalness index of the cosmetic.
- 2** The product contains specially selected active substances sourced from **marine organisms**. They **smoothen out fine wrinkles and ensure proper elasticity of face skin**.
- 3** Fish collagen **used in the preparation, as well as the complex of five hyaluronic acids** and other active ingredients, together hydrate the skin and improve its elasticity. A specially developed formula of the mask **firms up the skin, smoothes, soothes it and makes the complexion regenerated and hydrated upon waking up**.
- 4** Pro Collagen Face Mask has a rich **formula based on 13 active ingredients, such as: a marine collagen complex with organic silicon, shea butter, sweet almond oil, mango butter, hemp oil, allantoin, betaine, trehalose, urea, panthenol, Sirtalice™, Polylift®, and a complex of 5 hyaluronic acids**. The above ingredients have regenerating, anti-wrinkle, moisturising, nourishing and soothing properties.
- 5** The composition has been enriched by such ingredients as:
 - **panthenol** - thanks to its strong hydrating properties, it is particularly useful in cosmetics for very dry skin;
 - **urea** - provides intensive hydration of the epidermis (it is one of the most important components of the NMF the skin moisturising factor);
 - a complex of **5 types of hyaluronic acid** – types of hyaluronic acid differ in particle structure and size, this way contributing to hydrating both the deep and the superficial skin layers;
- 6** The mask is in line with the **„beauty sleep“ trend**. It means that appropriate selection of cosmetics for evening skincare may be a guarantee of achieving a beautiful and radiant skin.
- 7** Thanks to the **simple, hygienic and convenient package, applying the mask is easy - No Touch Formula**.
- 8** The **scent of Pro Collagen Face Mask is consistent with creams from the Pro Collagen line**.
- 9** Pro Collagen Face Mask is **complementary with other Pro Collagen products. Use the mask twice a week instead of a face cream - depending on the needs of your skin**.
